## Announces Orchestra Openings for the 2018-2019 Season

The International Symphony Orchestra is currently inviting auditions from musicians in our bridged communities interested in being part of the orchestra's 2018-2019 Season,

### *A "Sound" Investment*

String players are strongly encouraged to come forward, however, there are some opportunities in the wind, brass, and percussion sections of the orchestra.

The first rehearsal is scheduled for Tuesday, October 2<sup>nd</sup>, 7:30 p.m., in Room 60 of the Fine Arts Building, St. Clair County Community College, 323 Erie Street, Port Huron.

The International Symphony Orchestra is currently preparing for its Sixty-First Season of high-quality performances, taking place in both Lambton and St. Clair counties. This year the orchestra will again present a total of twelve Series concerts - embracing a wide range of musical genres, including: masterworks; light classics; sacred; oratorio; Celtic; family friendly, and pops. An exciting line-up of special guest artists and vibrant repertoire have been selected for diverse audience appeal.

The International Symphony Orchestra will also be presenting two youth education concerts at McMorrان Auditorium, in addition to other special community events, including the "Music Makes Sound Sense" in-school initiative.

**Please contact the Symphony Office - (519) 337-7775 / (810) 984-8857**

**or email [iso@rivernet.net](mailto:iso@rivernet.net) to schedule an audition time.**

The International Symphony Orchestra gratefully acknowledges the Ontario Arts Council, Michigan Council for Arts and Cultural Affairs, and the National Endowment for the Arts for their assistance in making possible our 2018/2019 Season.

We are also appreciative of St. Clair County Community College's continued dedication and commitment to the support of the arts.
